Joy, Sadness, Anger, Fear and Disgust, who've long been running a successful operation by all accounts, aren't sure how to feel when Anxiety shows up. And it looks like she's not alone.—olisilumea*

ALL FEMALE CONNECTION DAY - PERMISSION NOTE

I give permission for my child _____
to attend the **GIRLS CONNECTION DAY OUT** excursion in Term 2 on **Friday 5th July 2024**.

- Have there been any changes in your child's medical status since you last provided the school medical information? Yes No

If yes, an updated Medical Information and Consent Form is required to be completed.

- Will your child require medication to be administered during the excursion (e.g. allergy medication, pain relief)? Yes No

If yes, please complete a Medication Authorisation and Administration Record.

- Is there any additional information you need to provide to support your child's participation in this excursion? Yes No

If yes, please provide these details to your child's teacher.

Staff accompanying students on excursions will take all reasonable care while the students are in their charge to protect them from injury and to control and supervise their behaviour and activities. I agree to my child participating in the activities associated with this excursion mentioned previously. I have discussed with my child the need for sensible behaviour on this excursion. I authorise the school to make arrangements for the welfare of my child (including medical or surgical treatment) in an emergency and I agree to meet the associated costs. I have provided to the school all medical information relevant to my child attending this excursion.

Parents should be aware that staff members are not responsible for injuries or damage to property which may occur on an excursion where, in all circumstances, staff have not been negligent. Parents should warn children of the risk to themselves, to others and to property, of impulsive, wilful or disobedient behaviour. I agree that my child will be under the authority of the school for the duration of the excursion and that the school is authorised to return my child to school or home at my expense if the school considers that circumstances warrant such action. I give permission for my child to travel by private car, driven by a staff member or parent, in an emergency.

It is customary for the school to request a financial contribution towards meeting the cost of your child's participation in this excursion. The school has made every effort to keep costs for this activity at a reasonable level. We have an equity fund which can be used to provide financial assistance for students where parents are unable to meet the requested contribution. If, however, there is insufficient total funding available to meet the cost of the camp/excursion, regrettably, we may not be able to proceed.
