PRINCIPAL'S ADDRESS

Building leaders is an important component of our school culture because an organisation with more leaders is better able to adapt and reach for the stars. This not only applies to our student body but also to our staff. Therefore it is with great pleasure, and a little sadness, that I announce that 3 of our members of staff have won promotion positions at other schools:

**Aisling Murtagh:** Aisling has been a very effective Deputy Principal for the past 2 years, leading the Student Engagement and Learning Support areas on their path of continuous improvement. Aisling started as Principal of Kingsford Smith School last week and we wish her good luck in her new role.

**Matt Marasco:** Matt has been a vital member of our Learning Support and PE teams who has built great connections with students, staff and families in his time here. Matt has won an SLC position at The Woden School where he will be an amazing asset to their school.

**Kashaerelle Clarke:** Kashae has been a mainstay of our Languages faculty for almost a decade now, taking on numerous leadership roles as year Co-ordinator and Student Services SLC. Kashae has won an SLC position at Alfred Deakin High School where she will be leading their Humanities faculty and we will miss her greatly.

Congratulations to Kashae, Aisling and Matt, they all deserve their promotions and they will be fantastic in their new roles.
