

Maths Challenge 2024

Dear Parents/Caregivers,

The Maths Challenge conducted by the Australian Maths Trust runs over four consecutive weeks between March and June and costs \$29.00 for keen students. Students work on 6 problems over the time period and can be completed individually or with a friend. This competition requires a serious time commitment. We will endeavor to hold an optional study lesson once per week during the 3 weeks. The preferred method of payment is via quickweb which can be found via the payments tab on the MSHS website.

Regardless of payment method, please return this note the finance office by Friday 10th of May.

Any questions please direct them to Rod Grieve – rod.grieve@ed.act.edu.au

Australian Mathematics Competition (AMC).

Student Name: _____ Year: 7 8 9 10
