

## APSMO – MATHS OLYMPIAD 2024

Dear Parents/Caregivers,

Each year our school registers for the Maths Olympiad run by Australian Problem Solving Mathematical Olympiads (APSMO).

The APSMO Maths Olympiads is a competition for students in years 7 and 8 of secondary schools from around Australia and New Zealand and is aimed at challenging participants' maths problem solving abilities.

The first contest takes place Week 2 Term 2. This is followed by four other contests held in June, July and September. Each competition comprises 5 questions and must be completed in a specified timeframe of around 30 minutes. Times are given for each individual question as a guide and do not have to be adhered to.

The cost to enter is \$8.00. The preferred method of payment is via quickweb which can be found via the payments tab on the MSHS website.

**Regardless of payment method, please return this note to the finance office asap.**

Any questions please direct them to Rod Grieve – [rod.grieve@ed.act.edu.au](mailto:rod.grieve@ed.act.edu.au)
